

# Charity Care Policy

## Statement of Purpose:

Hills & Dales General Hospital is committed to providing charity care to persons who have healthcare needs and are uninsured, underinsured, ineligible for a government program, or otherwise unable to pay, for medically necessary care based on their individual financial situation. Hills & Dales General Hospital strives to ensure that the financial capacity of people who need health care services does not prevent them from seeking or receiving care.

## Statement of Policy:

Charity is not considered to be a substitute for personal responsibility. Patients are expected to cooperate with Hills & Dales procedures for obtaining charity or other forms of payment or financial assistance, and to contribute to the cost of their care based on their individual ability to pay. Individuals with the financial capacity to purchase health insurance shall be encouraged to do so, as a means of assuring access to health care services, for their overall personal health, and for the protection of their individual assets.

## Procedure:

### I. Definitions-

A. For the purpose of this Policy, the terms below are defined as follows:

1. Amounts Generally Billed (AGB): means the amounts generally billed for any emergency or other medically necessary care using the look back method. Information regarding the AGB rate and calculation is available upon request by contact one of our collection specialist at 989-912-6800.
2. Charged: The amount a Financial Assistance Policy eligible individual is personally responsible for paying, after all deductions, discounts (including discounts available under this Financial Assistance Policy), and insurance reimbursements have been applied.
3. Charity Care: Healthcare services that have or will be provided but are never expected to result in cash inflows. Charity care results from a provider's policy to provide healthcare services free or at a discount to individuals who meet the established criteria.
4. Extraordinary Collection Actions (ECA): Actions taken by Hills & Dales General Hospital or its agents against a patient or Guarantor related to obtaining payment of a bill for care covered under this Financial Assistance Policy that require a legal or judicial process, involve selling a patient's outstanding patient responsibility to another party, reporting adverse information about the patient to a consumer credit reporting agent or credit bureau or deferring, denying or requiring payment prior to providing medically necessary care because of an individual's nonpayment of one or more bills for previously provided care under the hospital's Financial Assistance Policy.
5. Federal Poverty Level: guidelines developed by the U.S. Department of Health & Human Services on an annual basis. Levels are determined by the number of members in an individual's household and their annual income.
6. Financial Assistance: total or partial reduction in the amount billed to a patient or his/her Guarantor(s), who is eligible for assistance under this policy.
7. Financial Assistance Application: information and accompanying documentation that

an individual submits to apply for financial assistance under this Financial Assistance Policy.

8. Financial Assistance Committee: internal review panel comprised of one or more hospital representative(s) responsible for making determinations of Financial Assistance eligibility under this Policy.
  9. Financial Assistance Determination: an approval or denial of an individual's application for financial assistance under this Policy.
  10. Financial Assistance Policy: the terms and conditions found in this document
  11. Family: Using the Census Bureau definition, a group of two or more people who reside together and who are related by birth, marriage, or adoption.
    - a. According to Internal Revenue Service rules, if the patient claims someone as a dependent on their income tax return, they may be considered a dependent for purposes of the provision of financial assistance (Charity Care).
  12. Guarantor: individual responsible for the financial obligations of a patient and may be used interchangeably with the patient.
  13. Hospital Facility: any facility owned or operated by Hills & Dales General Hospital that is licensed/registered or similarly recognized as a hospital by the State of Michigan, including all buildings operated under the State of Michigan license.
  14. Household: includes all individuals listed on a patient or guarantor's federal income tax filing. Guarantor's of a minor dependent who do not claim the dependent on their federal taxes may submit a court decree as proof of the dependent's household status. In the event the patient's (except for minor patients) income does not warrant the filing of a federal tax statement, the patient/Guarantor may submit a notarized affidavit attesting to the foregoing.
  15. Income: any interest, dividends, wages, compensation for other services, tips, pensions, fees for earned services, price of goods sold, income from rental property, gains on sale of other property, alimony, or royalties.
  16. Plain Language Summary: written statement that notifies an individual that the hospital facility offers financial assistance under a Financial Assistance Policy.
  17. Policy: this financial assistance policy
  18. Underinsured Patient: a patient who; despite having insurance coverage, finds the obligation to pay insurance copayments, coinsurance and deductibles is such a financial burden that he or she delays or does not receive medically necessary health care services due to the health care cost.
  19. Uninsured Patient: a patient who lacks a commercial insurance product, a government insurance/assistance product, whose injury is not a compensable injury through worker's compensation, automobile insurance or other insurance and/or a previous contract or agreement negotiated with Hills & Dales General Hospital to which the patient is a contemplated party or beneficiary.
- B. Family Income:** Family Income is determined using the Census Bureau definition, which uses the following income when computing federal poverty guidelines:
1. Includes earnings, unemployment compensation, workers' compensation, Social Security, Supplement Security Income, public assistance, veterans' payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trust, educational assistance, alimony, child support, assistance from outside the household, and other miscellaneous sources;
